To whom it may concern,

Please make available to anyone in your facility that may find this letter helpful.

Due to the current health concerns surrounding COVID-19, many Narcotics Anonymous meetings across the country are unable to meet face to face. Please verify if a meeting you are planning on attending is open. To find a list of available meetings both in-person and virtual please visit, www.stlna.org , www.missourina.org www.virtual-na.org .

Many of our local meetings are now online. We have provided some numbers and emails below. Please call to speak to a recovering addict and connect today. We encourage you to check with one of the phone lines listed below before attending any in-person meetings as many are not currently able to meet in person during this time. We can help! We can support you in navigating these times together.
